Hi everyone! Mr. Rocco & I are SO excited to start this amazing production with you. This is a FULL production like our other HS musicals with costumes, sets, and a production team that runs our lights and sound. We do hold you to the same standards as the rest of our high school productions. Please read all of the audition information on our webpage.

**Audition info is on [www.mineoladrama.com](http://www.mineoladrama.com) under 'audition info' in the 8/9 musical tab. Below is the audition form you should fill out and bring to your audition. We can't wait to get started, and remember to HAVE FUN!**
