

Sandy Audition Scene

Sandy

SpongeBob, what are you doing out of your pineapple? Everyone's supposed to be inside!

SpongeBob

It's going to be fine. The Mayor said she'll handle it. And everyone knows you can always trust the government.

Sandy

Well, I've got news, hot off the griddle. I did some calculations and that volcano is gonna erupt, as sure as a rhinestone cowboy at a disco rodeo. I figured out when, too. It's gonna happen at sundown...tomorrow!

SpongeBob

OK, Sandy, but...

Sandy

I'm as serious as a guacamole shortage at a taco party! (*She holds up printouts she's made*) I determined the timeline through the analysis of seismic activity, gas emissions, and geomagnetic changes. Over the next thirty-six hours, tremors will increase and boulders will fall, eventually leading to a cataclysmic eruption which will completely destroy Bikini Bottom. The END is nigh.

SpongeBob

The "end" end?

Sandy

Nods
