SCENE 5 – SNOW WHITE'S COTTAGE

CINDERELLA is standing in Snow White's cottage as SNOW WHITE enters, holding a basket of apples.

SNOW WHITE

See you tomorrow, delightful old woman!

(noticing CINDERELLA)

Cin! What are you doing here? Isn't your story being read?!?

CINDERELLA

I've gone ROGUE! You've heard of O.F.G., right?

SNOW WHITE

Notorious O.F.G.?!

CINDERELLA

YES. Snow – I met her!

SNOW WHITE

WHAT?! How? But she was banished!

CINDERELLA

I know! But after Scroll Club, I asked for "more," and poof, SHE SHOWED UP! And she gave me this… scroll, except it's called a book, it's cut up, it's *numbered*, there's this thing called a table of contents, and – WAIT FOR IT – the whole thing's written by a WOMAN –

Witchcraft!

CINDERELLA

(then)

Her book is MINDBLOWING and it is 100% going to change the way you look at quite literally EVERYTHING!

SNOW WHITE

Oh my goodness, where is it?!?

CINDERELLA

Well, that's the thing— my Stepmother stole it, so we gotta get it back! I need your help! Let's go!

SNOW WHITE

Ok! Oh— but not today. I'm seeing my prince.

CINDERELLA

What? No, Snow. This is way more important!

SNOW WHITE

Than true love? From a prince?

CINDERELLA

True love. True love between you and…

SNOW WHITE

The Prince!

CINDERELLA

Right but Prince…

(off SNOW WHITE's silence)

You don't even know his name!

SNOW WHITE

Of course I do. It's… Faithful!

CINDERELLA

Snow we've read your story in Scroll Club a million times. Your prince is never named.

SNOW WHITE

Well, that's what I call him, so—
